

ABOUT

Tressa Beheim is the founder and driving force behind Simplify Now, where she serves as an online business manager and strategic partner. Leading a team of dynamic individuals, she is the go-to expert for entrepreneurs looking to streamline their operations and build their businesses.

Tressa combines the knowledge and business acumen attained through an MBA and years in various corporate positions, with nearly 15 years in the online world to help her clients execute their big (and small!) visions in the real world.

Tressa's unique understanding of what's happening behind-the-scenes and fresh insights into how business owners can make their businesses work for them focuses on helping owners stay in their zone of genius.

In the past, she's been a guest on podcasts, including [Small Business Boss](#), [Ignite Leadership Prowess](#), the [Blogger Breakthrough Summit](#), and the [Stress-Free Launch Summit](#).
